HARLESTON SANCROFT
ACADEMY

Message from Mrs Price

Thank you for taking the time to come and experience the children's learning in our 'Maths Cafe' today. Lots of you asked if we would be running parent learning lessons to support your understanding of how we teach particular subjects. This is something we are keen to look into so watch this space!

I'm disheartened to report that I have received a few complaints from our neighbours regarding inconsiderate parking around the school, including blocking driveways and blocking in cars during drop off and pick up time. I have assured our neighbours that they will have the full support of the school if they choose to report a vehicle obstruction to the police. Please park considerately and safely, for everyone's benefit.

If you happen to be in the Market Place tomorrow at 1:30, our wonderful KS2 choir will be supporting the Christmas lights switch on. They will be singing a variety of Christmas songs and will be showcasing their new choir uniforms (if it is not too cold). Please come along to support them!

Enjoy your weekend and we look forward to seeing you all on Monday!

Mrs Price

Are you a young carer or do you know a young carer?

Who are young carers?

A young carer is someone under 18 who helps look after someone in their family, or a friend, who is ill, disabled or misuses drugs or alcohol.

2+

children in every school class have a caring role.

You are a young carer if you...

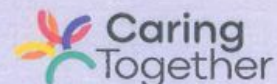

- Do practical tasks such as cooking, housework and shopping.
- Carry out physical care, such as helping someone out of bed.
- Provide emotional support, such as talking to someone who is distressed.
- Give personal care, such as helping someone dress.
- Help with medicines.
- Help someone to communicate.
- Look after brothers, sisters or parents.

How we can help you

Being a young carer can have a big impact on you. Caring Together can ensure you get the support you need including:

- Giving you a break from your caring role.
- A helpline that can give information and advice to you and your family about support available.
- Help with planning ahead.
- Giving you chances to get your voice heard.

Safeguarding

Designated Safeguarding Leads (DSLs)

Mrs Botwright – Assistant Head/SENCO

Mrs Price – Head of School

Mr Stagg – Assistant Head

Mr Mullen – Pastoral Lead

Mrs Kinsella - SEND Teacher

What is a DSL?

A designated safeguarding lead (DSL) is a member of staff who has received specialist training in whole school safeguarding. A DSL will manage safeguarding in school, deliver training to all staff and will also work with outside agencies to help keep children safe.

A DSL will also follow up any concerns that have been raised about the safety and wellbeing of a child.

KEEPING CHILDREN SAFE
IS EVERYONE'S
RESPONSIBILITY

If you have concerns about the safety and wellbeing of a child, then you can always pass this on to a member of staff. Alternatively, any member of the public can ring the **Norfolk Children's Advice and Duty Service (CADS) on 0344 800 8020.**

Sometimes following up safeguarding questions means having difficult conversations with parents and carers. These conversations are necessary in order to do our job and to develop our understanding of a situation and what we can do to help.

Celebrating Our Children

We are incredibly proud of Elena and Edison, who represented our school in the South Norfolk Cross Country finals on Wednesday this week!

Despite the cold weather, They faced this new challenge whilst demonstrating all of all school's values!

We are incredibly proud of your achievements - well done to you both!

Celebrating Our Children

Jessica from class 5G and Hannah from class 4S took part in an amazing dance show at the weekend.

They were awarded the Under 12s Achievement Award from Julie Ash. A shared Trophy!

Well done to you both, this is a great achievement.

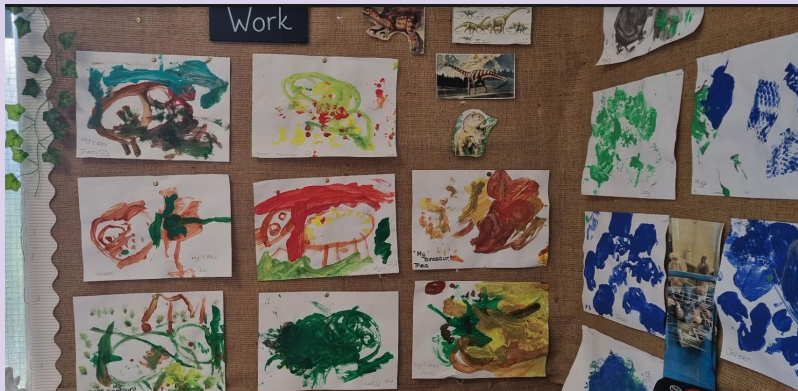

Highlights from our week

Nursery

This week our topic in Nursery has focused on the children's interest of Dinosaurs.

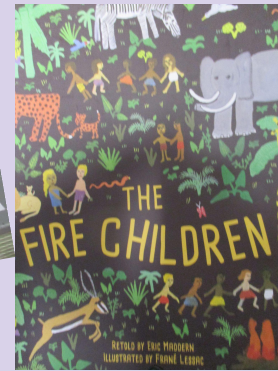

We have also started our Christmas craft.

Check out your own child's Tapestry account for further updates!

Reception

This week we have enjoyed sharing the story 'The Fire Children', and learning how to mould and shape clay to create our own children sculptures.

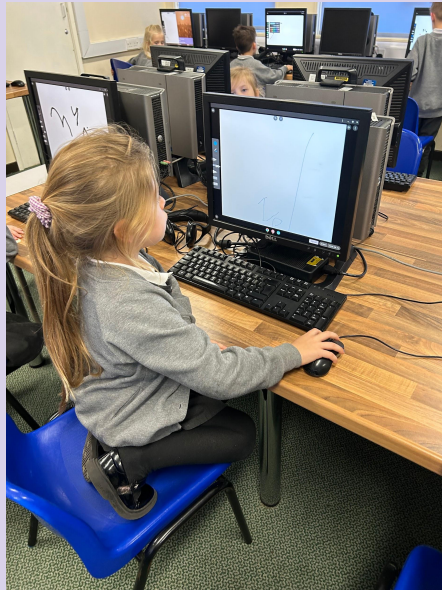

Dove

We have had lots of science-based experiential learning this week. The children have been curious and explorative in their investigations.

ClassDojo Highlights

Year 1 + Year 2

Year 1's enjoyed a visit to the computer suite this afternoon. They are becoming more independent with logging on, which is great. They then had a go at being creative and writing their name on the paint app.

Year 2's have been looking at 10 more and 10 less in Maths.

In our dance lesson we went to the circus! We chose one character out of a clown, ringmaster, tightrope walker, acrobat or strongman. We got into character and thought about how the character might be feeling or how they might move.

Check out your own child's ClassDojo page for further updates!

ClassDojo Highlights

Year 3

Year 3 have had great fun this week in PE learning how to hold a golf club and hit the balls off the tees. Great perseverance everyone.

**Check out your own child's
ClassDojo page for further updates!**

ClassDojo Highlights

Year 5

In year 5 this week, we have been creating a storyboard of Kensuke's Kingdom by Michael Morpurgo.

**Check out your own child's
ClassDojo page for further updates!**

Year 6

Superb sporting skills in Year 6 this week with basketball in 6B and handball in 6H!
