HARLESTON SANCROFT  
ACADEMY

## ***Message from Mrs Price***

Such a fun week this week at school. The brilliantly organised Science fair by Miss Ingram was just the highlight of the week! It was wonderful to see so many of you come to look at all of the experiments and science entries on display. Of course, it wouldn't be a Science fair without a little competition! The winning year group will be announced in Monday's collective worship and shared with parents via ClassDojo.

Such a gorgeous sea of red greeted us on the gate this morning, thank you for making the effort and generously donating to such a worthy cause. Just a reminder that children have their Spring Clean fundraiser to complete over the Easter Holidays if they wish. All proceeds will go towards finishing off the newly developed nature area.

Have a great weekend.

Mrs Price

Celebrating British Science Week

We are so proud of all of the Junior Scientists in our School who confidently shared their scientific knowledge during our Science Fair.

The children demonstrated our school values as they presented their projects to not only their peers but to parents too.

Well done!

# Reading

## Join us at the book fair!

The Scholastic Book Fair will be running once again in the school library from 3.15pm on the following dates.

# Safeguarding

## Designated Safeguarding Leads (DSLs)

Mrs Botwright – Assistant Head/SENCO

Mrs Price – Head of School

Mr Mullen – Pastoral Lead

Mrs Kinsella - SEND Teacher

## What is a DSL?

A designated safeguarding lead (DSL) is a member of staff who has received specialist training in whole school safeguarding. A DSL will manage safeguarding in school, deliver training to all staff and will also work with outside agencies to help keep children safe.

A DSL will also follow up any concerns that have been raised about the safety and wellbeing of a child.

If you have concerns about the safety and wellbeing of a child, then you can always pass this on to a member of staff. Alternatively, any member of the public can ring the **Norfolk Children's Advice and Duty Service (CADS) on 0344 800 8020.**

Sometimes following up safeguarding questions means having difficult conversations with parents and carers. These conversations are necessary in order to do our job and to develop our understanding of a situation and what we can do to help.

# Celebrating Our Children

ONWARD  
PLAYERS

## Certificate Of Achievement

This certificate is awarded to  
*Poppy Blunt*  
In recognition of valuable contributions to the  
Onward Players 2024 production of

**ROBIN HOOD**

Poppy danced in 4 shows last week with her dance school ARTS at the Onward Players Panto 'Robin Hood'. It was a super fun week and she is very proud of her certificate!

# Highlights from our week

## Nursery

This week in Nursery we have been learning about Space, as part of Science week in school. The children loved visiting the Science fair on Thursday.

**Check out your own child's Tapestry account for further updates!**

## Reception

**What an exciting week we have had celebrating all things Science!**

## Dove

We have had a brilliant science themed week, with lots of fun experiments and planting our own seeds.

# ClassDojo Highlights

## Year 1 + Year 2

We absolutely loved visiting the Science fair on Thursday, we enjoyed sharing our learning as well as visiting the other year groups to find out about some very interesting projects!

Check out your own child's ClassDojo page for further updates!

# ClassDojo Highlights

## Year 3

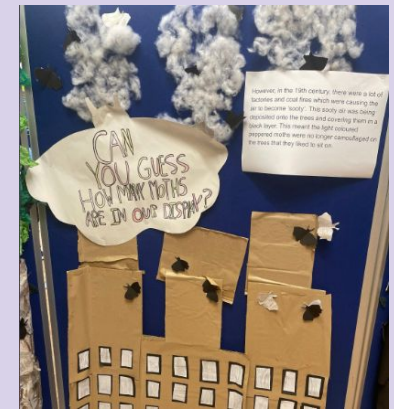

Year 3 have had an amazing week. We spent the beginning of the week building cars to test using different motors. We used a sail motor, a magnet motor and a balloon motor. We had to predict which would be the quickest to travel a set distance before testing our vehicles. We then got to share our work in the hall on Thursday with the rest of the school. Everyone showed great determination and perseverance to create something that would work.

**Check out your own child's ClassDojo page for further updates!**

## Year 4

Year 4 had a great time at the Science fair this week. They worked so hard to get their display ready and were excellent at communicating how moths adapted because of changes to their environment.

# ClassDojo Highlights

## Year 5

Year 5 had a great visit from St John's Ambulance. They learnt how to use CPR and treat minor injuries including burns, scalds, minor injuries and how to put a bandage on.

**Check out your own child's ClassDojo page for further updates!**

## Year 6

Year 6 enjoyed a special science lesson with Mrs Patnell this week, as well as a visit from the Secondary Phase ambassadors for a 'Stepping Up' session!

£25 per child
