HARLESTON SANCROFT  
ACADEMY

## ***Message from Mrs Price***

As we near the end of term, we need to be mindful of change. Changing of classrooms, of peer groups and of the adults around us. It can be a worrying time for children. To support your children we will be hosting a number of transition events and opportunities. On Tuesday 16th we will be holding our Meet the Teacher session. During the day, your children will get to spend the day in their new class, with their new classmates and teacher. At the end of the day, you will be able to meet your child's new teacher, in their new classroom (your child will show you the way). I understand that parents aren't always sure on the new make-up of the classes and it can be unsettling if your child isn't with all of their friends or if they are with children they don't yet know or play with. That is ok. Teachers spend a lot of time getting the classes right for all the children and they will be clear on their reasons for placing your child in their class. Please trust that they make the right decision based on all the information they have regarding all of the children.

I would like to thank the school community for the positive feedback we have received regarding the lockdown this week. All staff involved have really appreciated your kind words and thanks after what was an experience we hope never to repeat. I am so incredibly proud of my team and our children. After an eventful week, I sincerely hope you all have a wonderful, calm and restful weekend.

Mrs Price

# Safeguarding

## Designated Safeguarding Leads (DSLs)

Mrs Botwright – Assistant Head/SENCO

Mrs Price – Head of School

Mr Mullen – Pastoral Lead

Mrs Kinsella - SEND Teacher

## What is a DSL?

A designated safeguarding lead (DSL) is a member of staff who has received specialist training in whole school safeguarding. A DSL will manage safeguarding in school, deliver training to all staff and will also work with outside agencies to help keep children safe.

A DSL will also follow up any concerns that have been raised about the safety and wellbeing of a child.

If you have concerns about the safety and wellbeing of a child, then you can always pass this on to a member of staff. Alternatively, any member of the public can ring the **Norfolk Children's Advice and Duty Service (CADS) on 0344 800 8020.**

Sometimes following up safeguarding questions means having difficult conversations with parents and carers. These conversations are necessary in order to do our job and to develop our understanding of a situation and what we can do to help.

# Celebrating Our Children

Chloe in class 4S and Amber in class 4K are very proud to share with everyone that they both gained the next belt of Green Stripe in recognition of their diligent study and resulting ability in the art of Zen Budo Karate.

Well done girls!

# Highlights from our week

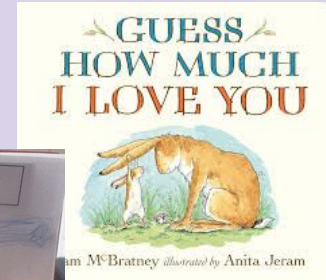

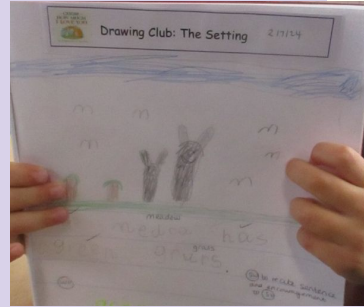

## Nursery

This week Nursery have been learning about the story "Goldilocks and Just the One Bear", making our own pictures and exploring lots of sensory play making porridge.

**Check out your own child's Tapestry account for further updates!**

## Reception

We have enjoyed sharing the story 'Guess How Much I Love You' this week, and creating our artwork ready for the arts festival

## Dove

We have been observing the changes of our growing cress!  
We are very good at watering them.

# ClassDojo Highlights

## Year 1 + Year 2

We have been testing materials to see which ones are waterproof.

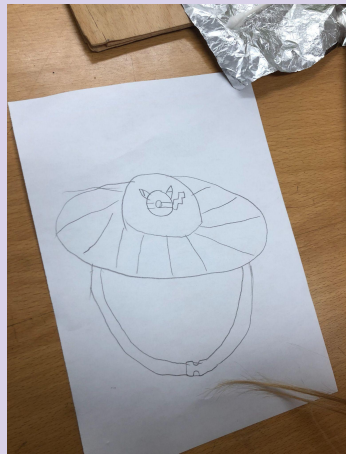

Check out your own child's  
ClassDojo page for further updates!

# ClassDojo Highlights

## Year 3

In our Science unit about 'Light,' we have been thinking about the best material to make a sun hat. We discussed the words opaque, translucent and transparent. We looked at a range of different materials and we talked about materials which were cool and lightweight. We are now designing a suitable sun hat.

## Year 4

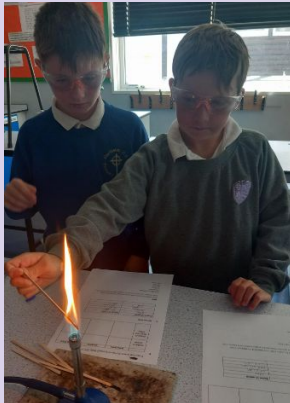

Year 4 have been learning about the topic of 'Sound' in their science lessons. Last lesson, they explored whether sound travels best through solids, liquids or gases. The class were very surprised with their findings!

**Check out your own child's  
ClassDojo page for further updates!**

# ClassDojo Highlights

## Year 5

Year 5 had a fantastic day at the secondary phase on Thursday. We learnt how to use bunsen burners, played drama games, had a game of rounders, created a monster and completed maths puzzles.

**Check out your own child's  
ClassDojo page for further updates!**

## Year 6

Trying our hand at the discus on in our athletics lesson! We did well to focus on the throwing technique and all improved in accuracy and distance!
