ACADEMY

## ***Message from Mrs Price***

It's always a week in the primary calendar that is full of high emotions. It's a week in which we say goodbye to our year 6 children as they step up to the Secondary Phase. It's a week where they look back and reflect on their primary years, usually with a sudden fondness that they have not given into since they were in the younger years. It is an emotional time and an exciting time as they consider what comes next. We are so proud of them and their time here, it certainly hasn't been an easy ride with all that is and has been going on in the world, but they have come out strong and smiling and ready for the Secondary stage of their journey.

Thank you to everyone who completed our wrap around care survey, in conjunction with Teddies nursery. I am pleased to let you know that Teddies will continue to provide the wrap around care for our community. The results of the survey showed that whilst there was some enquiry with regards to a provision at the Primary phase, there was not a specific need that could not be met through the provision that is already onsite.

Whilst we have one more week to go until the end of the school year, I wanted to take the opportunity to remind you that as of September 4th, all children are expected to be in the grey and purple school uniform. A letter with all the details on was sent home last week. Please can I draw your attention to tops for PE. Children can wear plain black t-shirts or polo shirts (with no logo/words or pictures), a school logo t-shirt or a secondary phase top. Please may I remind you that children are not allowed to wear hoodies or cardigans for PE, only the school jumper or outer layer from the secondary uniform. The office can help you with any query.

# Safeguarding

## Designated Safeguarding Leads (DSLs)

Mrs Botwright – Assistant Head/SENCO

Mrs Price – Head of School

Mr Mullen – Pastoral Lead

Mrs Kinsella - SEND Teacher

## What is a DSL?

A designated safeguarding lead (DSL) is a member of staff who has received specialist training in whole school safeguarding. A DSL will manage safeguarding in school, deliver training to all staff and will also work with outside agencies to help keep children safe.

A DSL will also follow up any concerns that have been raised about the safety and wellbeing of a child.

If you have concerns about the safety and wellbeing of a child, then you can always pass this on to a member of staff. Alternatively, any member of the public can ring the **Norfolk Children's Advice and Duty Service (CADS) on 0344 800 8020.**

Sometimes following up safeguarding questions means having difficult conversations with parents and carers. These conversations are necessary in order to do our job and to develop our understanding of a situation and what we can do to help.

# Celebrating Our Children

This is Wilf in class 1/2TP with the respect award he won with his football team, Harleston Youth FC under 7s this season. The award is given to the team in the league who showed the most respect and sportsmanships.

# THE BANK & THE VAULT

ARTS ■ MUSIC ■ CREATIVE ■ COMMUNITY

DIGITAL HUB AT THE BANK

The Bank Arts Centre & The Vault  
2 Castle Street  
Eye  
Suffolk, IP23 7AN

Dear Parent

For those that have yet to come across The Vault, it's a unique digital hub below, what used to be a bank, in the banks vault!

We have been hosting very heavily subsidised workshops and courses for over 2 years to young people from Eye and many of the villages and towns. Our workshops are just £5 for 5 hours. These have included include game design, coding, 3D modelling and printing, music production, video editing, AI workshops and more. Many local schools have previously taken up our offer of free school trips. We have had excellent feedback from children and visiting schools.

Parents do not need to stay but are welcome to use our café space if they do.

Unfortunately, there has been a funding gap since January and so I've been unable to offer any free Vault workshops for a few months. I'm pleased to say that we have the opportunity to host more workshops over the summer holidays but we would very much like to know what your children would like to see on the agenda.

I would be really grateful if you (and your child/children) can you fill in the short survey linked below asap:

## START SURVEY

If you have any problems opening the link then just visit [www.thebankeye.org](http://www.thebankeye.org) and click the **Vault Survey** banner at the top of the page. As soon as I have a good idea of what is wanted, I'll get a workshop holiday schedule sent out to everyone who has filled in a form and signed up for receiving a reply. We have will have 8 places per workshop.

Thanks and best wishes
