HARLESTON SANCROFT  
ACADEMY

## ***Message from Mrs Price***

We have had so much fun this week working as an all through school. A group of our Secondary Phase students led a drama workshop on Thursday for our year 5s and 6s where they had a great time taking part in drama themed games and performing for each other. We also had another tots and teens session in our Dove hub which is always such a pleasure. It has been so lovely to see both phases learning together.

We are all really looking forward to coming together for the arts festival on Wednesday next week. If it's anything like last year it will be a spectacular display of our values. The children have been working extremely hard over the last few weeks on their artwork and performances and I know just how excited they are to share this with you all. Please make sure you read the 'Arts Festival' page which will give you a better idea of what to expect on the day and what time to arrive. Please note, that it currently looks like rain. We will make a decision by tomorrow lunchtime as to whether we will move the festival to our reserve day on Friday 5th July.

Just another small reminder that Class photos have been taken and we will email all parents on arbor when the pictures are ready to be ordered.

# Arts Festival

**Wednesday 3rd July 2024 - 1:15 - 3:15 pm**

Following on from the success of last year, we will soon be hosting our annual Arts Festival. The event will take place on **Wednesday 3rd July** and all children from the Primary Phase from Reception to Year 6 will be taking part. The festival will be a fantastic opportunity for all pupils to showcase the amazing learning they have been doing this year within the arts, linked to the theme of our school values: hope, perseverance, wisdom, love, respect and faith. In the build up to the event, each year group will be spending the next couple of weeks working on an exhibition, which will be a culmination of all of the skills they have practised in their art lessons this year. These art showcases will be on display on the playground, along the back of 6H classroom and in the Upper School Hall. Parents are invited to view the artwork, at their leisure, during the course of the afternoon.

In addition to the artwork, children will be performing a programme of song and dance on the school field. Each child will be involved in singing our whole school song, as well as performing once with their year group. We have also invited performances from the KS2 choir, Music Theatre club and the Secondary Phase choir. Parents who wish to watch any/all of the performances are encouraged to bring a blanket and join us on the field.

Running parallel to these acts, while KS1 are performing on the main stage, in the Upper School Hall, our peripatetic teachers will be showcasing the talent of our KS2 piano and guitar students, for those who wish to support our musicians during their performances.

Parents are invited to arrive at school from 1:00pm, in preparation for a 1:15pm start. Please enter through the upper playground side gate. Though timings are approximate, we hope that all performances will be finished by 3:05pm, so children can be collected by their parents as usual at the end of the school day from the classrooms.

In the event of bad weather, we plan to postpone the Arts Festival to Friday 5th July. We will inform you of this change on the morning of the event if necessary.

## Harleston Hundred Reading Challenge

As we are nearing the end of the academic year, we are getting ready to celebrate all of the achievements that our children have made.

For your child to be in with a chance of winning one of the prizes on offer they need to hand in their completed Harleston Hundred booklet by **Friday 5th July**.

The booklet needs to be signed off by a parent so show that the child has read the books throughout the year.  
Good luck to all!

## Local Libraries Summer Reading Challenge!

Next week, the following video will be shared with all children in their classes. The video informs children and parents about the summer reading challenge that is organised by local libraries.

As a school, we encourage all children to participate.

# Safeguarding

## Designated Safeguarding Leads (DSLs)

Mrs Botwright – Assistant Head/SENCO

Mrs Price – Head of School

Mr Mullen – Pastoral Lead

Mrs Kinsella - SEND Teacher

## What is a DSL?

A designated safeguarding lead (DSL) is a member of staff who has received specialist training in whole school safeguarding. A DSL will manage safeguarding in school, deliver training to all staff and will also work with outside agencies to help keep children safe.

A DSL will also follow up any concerns that have been raised about the safety and wellbeing of a child.

If you have concerns about the safety and wellbeing of a child, then you can always pass this on to a member of staff. Alternatively, any member of the public can ring the **Norfolk Children's Advice and Duty Service (CADS) on 0344 800 8020.**

Sometimes following up safeguarding questions means having difficult conversations with parents and carers. These conversations are necessary in order to do our job and to develop our understanding of a situation and what we can do to help.
